

Curriculum Vitae

Franz Moggi, Ph.D., EMBA

Head of the Psychological Service, the Center of Competence
in Psychotherapy and the Addiction Research Network
University Hospital of Psychiatry and Psychotherapy
Bolligenstrasse 111, CH-3000 Bern 60, Switzerland

Phone: +41 (58) 630 97 19 and E-mail: franz.moggi@unibe.ch

Web: https://www.upd.unibe.ch/about_us/people/prof_dr_phil_moggi_franz/index_eng.html

ORCID: <https://orcid.org/0000-0003-3302-7229>

| | | |
|---|----------------|--|
| Birth date | April 10, 1963 | |
| College/University | 1983-1988 | Master of Arts (M.A.) in Clinical Psychology, Experimental Psychology, and Cultural Anthropology, University of Fribourg i.Ue. |
| | 1994 | Doctorate in Clinical Psychology (Ph.D.) |
| | 2005 | Habilitation in Clinical Psychology, Psychopathology, and Psychotherapy (second doctoral thesis) |
| | 2012 | Associate Professor (Titularprofessor) of the Departement of Psychology, University of Fribourg |
| | 2015 | Associate Professor of the Medical Faculty, University of Bern |
| Professional Experience | 1989-1991 | Assistant at the University of Fribourg, Department for Psychology, Chair for Clinical Psychology. |
| | 1991-1997 | Clinical Psychologist at the University Hospital of Psychiatry Bern, Switzerland |
| Position/Head | since 1999 | Head of the Clinical Psychology Service at the University Hospital of Psychiatry Bern, Switzerland |
| | since 2010 | Head of the Addiction Research Group |
| | since 2017 | Psychological Head of the Center of Competence in Psychotherapy and of the Center of Comptence in Addiction Psychiatry |
| | since 2017 | Co-ordinator of Network of Addiction Psychiatry of the German part of Canton Bern |
| Research Projects | since 1989 | Several projects on treatment of substance use disorders, treatment for patients with substance use and comorbid psychiatric disorders, and on child abuse as principal investigator and co-applicant. These projects have been supported by the Swiss National Science Foundation, the Federal Office of Public Health, the Swiss Foundation for Alcohol Research, and the Swiss Department of Internal Affairs (Sum of grants in CHF: more than 3 millions). |
| Research Stay at Stanford University, USA | 1997-1998 | Research stay supported by the Swiss National Science Foundation at the Center for Health Care Evaluation, VA Palo Alto Health Care System and Stanford University School of Medicine and Behavioral Science (SNF-Stipendium # 823B-050302) |
| Lectures at University of Bern and Fribourg | since 1991 | Substance use disorders; comorbidity of psychiatric and substance use disorders; behavioral assessment; cognitive-behavioral treatment; clinical psychology; psychotherapy |
| | Head of theses | since 1991 |
| Psychotherapy | 1996 | Licencure of Canton Bern, Federation of Swiss Psychologists, Federal Office of Public Health |

| | | |
|------------|------------|---|
| Management | 2010-2012 | Executive Master of Business Administration in Medical Management (EMBA) at the Private University of Applied Science of Economy Bern |
| Board | 1999-2005 | President of the Ethical Board of the Federation of Swiss Psychologists |
| | 2012-2023 | Past-President of the Swiss Foundation for Alcohol Research (SFAR) |
| | 2015-2023 | Past Board member and treasurer of the International Collaboration on ADHD and Substance Abuse (ICASA) |
| | since 2020 | Board member and treasurer of the Addiction Psychology Switzerland (APS) |

Scientific performance record of the last 5 years (2018 – 2023)
